Summary

I am a goal driven Graphic Designer, successful at applying my technical skills to create art to inform and engage customers. I am a clear communicator and collaborative team player with an eye for detail, and I am skilled in desktop publishing tools and graphic design software. I maintain my technical knowledge by attending design workshops, reviewing professional publications and participating in professional societies.

Skills

I am skilled in Microsoft office, Adobe Creative Suite, Graphic and Media designs, I have an understanding of CSS and website design, and I create digital graphic designs as well as logos. I have Project Management experience and an understanding of business development.

Experience

Artist/Graphic Designer, Self employed, Artist since Jan 1973-current, New West, BC
I have been an artist for over 40 years. My designs have been mainly original creations with a few designs going to limited and unlimited edition print. Ganada Made Graphic Designs is my company name which has been operating mainly as a hobby. Plans are to register as a business in summer 2021.

Indigenous Liaison Officer, Correction Service Canada, Jul 2000-Jul 2020, New West, BC
During my years with Corrections I worked within Federal prisons and in the community. I was a uniformed officer and later on a Social Programs Officer, now retired.
